ABOUT US

All Star school tours offer an exciting program of activities that are aimed at keeping children active and engaged throughout the day. Children will experience 7 to 8 age appropriate activities over the course of the day. Designed by physical education teachers, the program is inclusive of all abilities and formulated with the safety of the child being of paramount concern. All staff are vetted and have a background in secondary and primary teaching, while we also employ undergraduates from surrounding educational institutes. All Star camps only use facilities of the highest quality, this ensures our camps can operate smoothly regardless of the weather.
